Ma's multi-purpose degreasing cleaner

General

Super-concentrated cleaning product with strong degreasing power, over 95% biodegradable.

Purpose

Suitable for many applications

Cleaning of waxed concrete, marble, floor tiles, tiles, parquets, carpets, plastics. Cleaning paintwork before redecorating, sanitary facilities, kitchens, washrooms.

Also suitable for food-related applications

Cleaning kitchens, floors, cold rooms, sinks, work surfaces, aluminium and stainless steel containers.

Instructions for use

Dilute the product in a large quantity of water. In normal use, 1 volume of multi-purpose degreasing cleaner per 100 volumes water (10 ml product per 1 l water). For especially difficult stains, dilute 1 volume of multi-purpose degreasing cleaner in 10 volumes water (i.e. 100 ml product for 1 l water).

Apply using a broom, sponge, or brush. Can also be applied using a low-pressure sprayer. Rinse after use to eliminate the product and neutralise the pH.

Precautions for use

Do not use the product undiluted. Do not mix with organic acids. Do not mix with other household products.
